

VAIRKKO HR CLOUD EXTENDED PROFILE

OVERVIEW

VAIRKKO HR Cloud's fully integrated HRMS offers users an 'a la carte' choice of HRMS modules, which can be adjusted easily as business requirements evolve. Clients can pick and choose from a comprehensive range of core HR functionalities such as employee and manager self-service, benefits administration, onboarding and absence management, as well as payroll and recruitment modules, to create an HRMS that suits their needs exactly.

VAIRKKO HR Cloud is an HRMS built with responsive web design. As such, there is no need for any additional hardware as the software will run on any device with an internet connection. VAIRKKO avoids native apps to avoid software updates each time Apple or Google update their operating systems, but the full version of their HRMS is designed to be mobile compatible.

VAIRKKO HR Cloud is a cloud-based system, so will run on any device with an internet connection. Its responsive web design allows the software to run effectively on cellphones and tablets without the need for a native mobile app.

VAIRKKO HR Cloud can be implemented in around 30 days.
