Instructions  
To find an employee's phone and email address, enter the employee's first and/or last name. You can also enter a partial name. For example, enter the first name "Sa" and find all employees whose name begins with "Sa" (e.g. Sally, Sam). Search. Note that only employees who are active or on a leave of absence are included in the phone list.  
To narrow the search, select a specific organization from the list at the top of the page.
