

ARCORO

EXTENDED PROFILE

OVERVIEW

Arcoro HR software is a suite of modular, cloud-based software is specially designed to simplify HR processes for the construction industry and other high-compliance companies.

Companies can choose from a wide range of Arcoro HR modules depending on their unique requirements, including core HR, applicant tracking, onboarding, benefits management, ACA compliance, Exaktime time and attendance tracking, compensation management, performance, management, learning management, and succession planning.

All Arcoro's HR solutions integrate seamlessly with other construction technologies, providing their customers with an easy-to-use platform that fits into their operations. Their dedication to excellent customer service means all Arcoro customers receive a customer success manager to support their HR strategy.

IS INFINITYHR SOFTWARE NOW PART OF ARCORO?

Yes, InfinityHR was acquired by Arcoro in 2018 and added its leading HR management software to Arcoro's suite of HR modules.
